

**REMARKS**

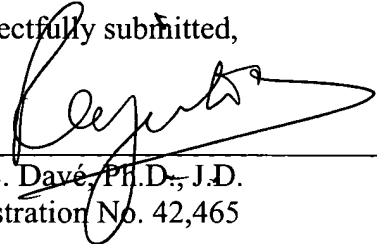

Applicants have amended the upper limit of the range of the butene content in claim 3 to be 14 wt%. The upper limit of 14 wt% of butene is supported by original claim 20 and Example 4 of the specification.

In the event that the transmittal letter is separated from this request and the Patent and Trademark Office determines that a fee is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing attorney docket no. **361752000910**.
